Please see the Memorial to Govt at p.1 ℄ 2 The memorialist has been granted by Govt temp exemption for 1 year to hold a clerk's post on Rs 35-60 in any of the revenue offices in the S. Kanara Dt. ~~with effect from~~ 4-5-23. His present request is for the grant of permanent exemption from the examination rules ~~prescribed~~ The pay of the post in respect of which permanent exemption is sought ~~is~~ has not been stated: Presumably, it is Rs 35-60. The Board has power to deal with the case under Go No 722 Law (Edn) dt 13.6.1922; but the Coll does not support the grant of the Memorialist's request, apparently because his service as clerk is only 7 months – too short a period to judge of his fitness to hold a permanent post. For orders whether in the circumstances the Memorial may be withheld with reference to rule XVI (2) of the rules relating to the submission of Memorials

P[illegible] (A)

The Coll says that the clerk has been working satisfactorily for 14/7/23 Apparently he intends to support it but not with enthusiasm!

Copy of Memorial dated 5th October 1922, from Ullal Poovappa Bhandary, K.956 Clerk, No.3 Works Company R.E. Baghdad, British Forces in 'Iraq' to His Excellency the Governor in Council, Madras, through the Officer Commanding, No.3 Works Company R.E., Baghdad, Ira

---

With due deference and humble submission, I, U. Poovappa Bhandary, belonging to a Non-Brahmin community, resident of Ullal Bail, Mangalore, South Canara District beg leave to approach Your Excellency for favour of an exemption from the Educational Rules thus qualifying myself for a Government Post for the following reasons, which I fervently hope to succeed.

I have completed the course prescribed for the S.S.L.C. Examination of the Madras University in 1918, but there was a general call then for the cause of our "King & Country" to which I responded by enlisting myself as a regular Soldier Clerk in 1/81st Pioneers, thus discontinuing my further studies, and my ~~xxxkx~~ loyal spirit still prompted to embark for Overseas to take part in Operations in the Field, which I accordingly did, and still I am working as a clerk in the Works Directorate (Royal Engineer Services) Baghdad.

In addition to my educational qualifications, I have gained an ample knowledge of Office Work and I am well conversant with every routine office work. such as correspondence, registering, accounts, ledger-keeping etc. etc.

For the Benefit of all desirable young men the benevolent Government of India in their notification No.348, para 1099, dated, Simla, 8/21st August, 1919, proclaimed that "young men who responded to the call of the Country will be provided with an appointment on their return without any prejudice to seniority and preferential treatment will be given to the post for which he is fit, irrespective of educational, professional or technical qualifications at the discretion of the competent authorities." To enable me to get a post under the Government the Regulations demand either University credentials or an exemption by the competent authority, and as I am anxious to get ~~xh~~ one preferably in South Kanara District in any of the Departments such as Revenue, Police, Salt & Abkari, or Forest, and as Your Excellency is the only competent authority, I earnestly ~~[illegible]~~ above notification, and my qualifications

an

an exemption to the extent to which Your Excellency deems fit may kindly be granted considering my age which is 21.

I herein enclose a copy of the notification referred to above together with the certified copies of certificates, for Your Excellency's kind perusal.

Hoping your Excellency's sympathy will be extended and praying for the untold charity should I succeed.

No.R.R.10246/5-X-22.
